

# UB37 In-Line Plain Tile Terminal

## Product features and benefits

- No batten cutting necessary
- 110mm diameter adaptor for connection to soil & vent/ Mechanical extraction

## Application

- Suitable for most concrete and clay plain tiles

## Material

- Unit - PVC-U
- Adaptor - Styrosun 3600 UV Resistant High Impact Polystyrene

## Dimensions

- L: 310mm x W: 330mm

## Weight

- 0.95kg per unit
- 9.5kg per box

## Packaging

- 10 per box

## Performance

- Provides 6,250mm<sup>2</sup> free vent area
- The pressure airflow resistance is 43.5 Pascal at 100m<sup>3</sup>/h

## Colours

- Red
- Terracotta
- Anthracite
- Sepia

## Product Code

- Red 100130294513
- Terracotta 100130294511
- Anthracite 100130294507
- Sepia 100130294509
